AIRPORT URGENT CARE OFFERING FREE SPORTS PHYSICALS AT Phoenix Sky Harbor International Airport

On a Walk-in Basis for One More Weekend from 3pm-6pm This Saturday & Sunday, August 25 & 26, 2018

PHOENIX, Ariz.

FREE sports physicals are being offered one last weekend to athletes and students across the Valley this Saturday & Sunday, August 25 & 26, 2018, from 3pm-6pm at Phoenix Sky Harbor's convenient, comprehensive US CareWays Urgent Care. US CareWays has offered more than 120 FREE sports physicals to the Arizona youth community this summer, which included 25 student athletes from Western Valley Middle School, whom the school provided transportation for in order to receive sports physicals they wouldn't normally be able to afford. The airport urgent care looks forward to giving families an additional opportunity for this \$50 savings (on average) this weekend. The center is located in Terminal 4, Level 3 (pre-security, inside the Drugs & More retail store). Those in need of a sports physical need to bring their sports form and can park in the short-term Terminal 4 parking and take Elevator 4C to Level 3; the center is on the left as you head towards the dining area. Our qualified, licensed medical professionals – who provide medical care for travelers and airport employees every day between 8am-8pm – will get people in and out quickly for their physicals.
