FOR IMMEDIATE RELEASE

AIRPORT URGENT CARE OFFERING IV NUTRIENT INFUSIONS AT Phoenix Sky Harbor International Airport

Walk-ins Welcome to Treat Dehydration, Headaches, Anti-Inflammation, Illness Prevention, and Overall Immunity

PHOENIX—The US CareWays Airport Urgent Care is now offering a quick, convenient wellness option at Phoenix Sky Harbor International Airport for travelers and airport employees who are experiencing dehydration, recovering from illness, or simply wanting to prevent headaches and avoid getting sick.

"Nutrient Cocktails" are administered intravenously in less than an hour for a faster, more successful way to get critical nutrients and hydration into your body while traveling. The "Nutrient Cocktails" offered (ranging from \$107-\$137) include the Myers Cocktail (known as the "hangover cure"), a Headache Cocktail for treatment and prevention, an Illness Cocktail for recovery and prevention, and an Anti-Inflammatory Cocktail for treatment. Immunity Boosts (glutathione or an Engystol injection in a matter of minutes) to prepare your body for travel and help prevent illness are also available for only \$27 each.

The US CareWays Airport Urgent Care is conveniently located in Terminal 4, Level 3 (pre-security, inside the Drugs & More retail store). Our qualified, licensed medical professionals – who provide medical care for travelers and airport employees every day between 8 a.m.-8 p.m. – will get people in and out quickly for their immunity boosts and/or the illness recovery and prevention measures that best fit their healthcare needs so they can fly well! These services are also offered to the Phoenix community at large who may not be traveling but are visiting the airport.
